ABINGTON HIGH SCHOOL GREEN YEARS CLASS OF 1965

Time as he grows old
teaches many lessons.

Foreword

Lives of great men all remind us

We can make our lives sublime,

And departing, leave behind us

Footprints of the sands of time.

Footprints that perhaps another,

Sailing o'er life's solemn main,

A forlorn and shipwrecked brother,

Seeing, shall take heart again.

Let us, then, be up and doing,

With a heart for any fate;

Still achieving, still pursuing,

Learn to labor and to wait.

THE NOBLE NATURE

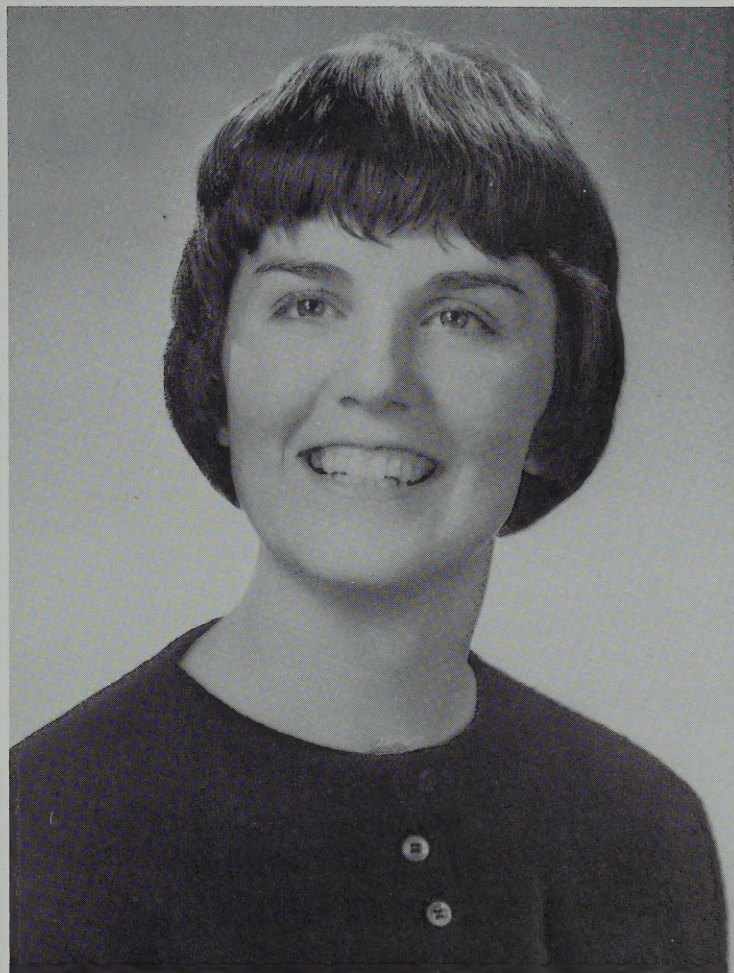

It is not growing like a tree
 In bulk, doth make men better be;
 Or standing long an oak, three hundred year,
 To fall a log at last, dry, bald, and sere;
 A lily of a day
 Is fairer far in May,
 Although it fall and die that night—
 It was the plant and flower of light.
 In small proportions we just beauties see;
 And in short measures life may perfect be.

Ben Jonson

Memoriam

BRIDGET A. CAHILL

Senior Class Treasurer of Mater Dei Academy, and voted "Most Mary—like" Abington High 1, 2.

This poem was written by
an officer of the Freshman
Class of Mater Dei in
memory of Bridget.

Sorry you left us
For you were grand
You will never be forgotten
For your helping hand.

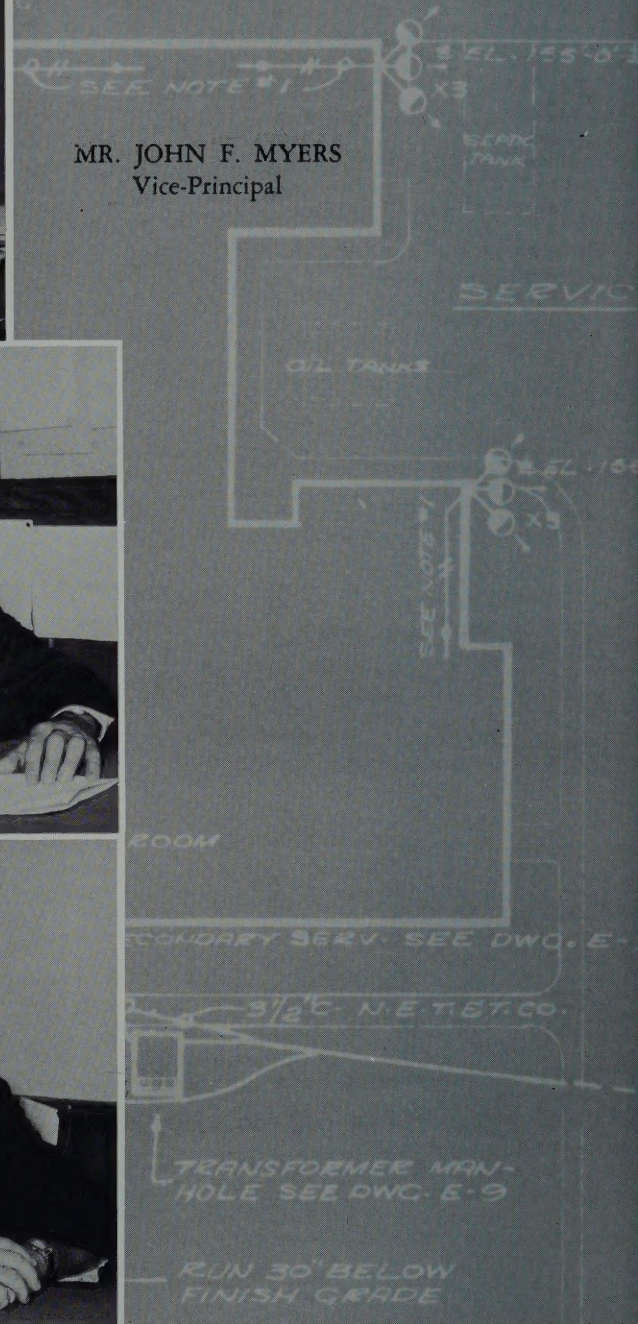

No matter how tall
No matter how small
In friendship we were
One in all.

Oh, that smile
It warmed us all
Now God has it
And we must recall.

Principal's Message

Congratulations Class of 1965, your high school graduation is a reality. You are happy; your family is proud. The joy of accomplishment is yours. You have earned standing room on the first plateau of life's journey. Will you remain standing or will you forge ahead?

Remember, man's life span is but a moment in eternity. The fullness or the bleakness of each individual's moment depends on the development and wise use of one's skills and abilities. Each opportunity for advancement that is ignored or deliberately cast aside makes the attainment of worthwhile achievements more remote.

The faculty of Abington High have given you sound academic, physical and moral concepts upon which you can build. The actual building is up to you. Build wisely.

As freshmen we reigned supreme, aided by our elected officers: Greg Bone, President; Hank Granger, Vice President; Sandy Borden, Secretary; Linda Gaynor, Treasurer.

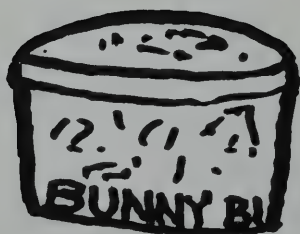

Never will we forget:

- The sale of "Bunny Bits"—those delightful tidbits, known by other names often associated with Bunnies.
- The great Post-Track'n Field Meet watermelon parties.
- Our final banquet and dance—when the band failed to show.
- Hank's patriotic donation, the first of its kind to the school— AN AMERICAN FLAG.
- Mr. Morey's deepest love for Mrs. Lindbohm.
- The infamous lunch strike—and the appearance of numerous petitions—Can anyone blame us?
- The feeling of being outcasts on Moveup Day.

Our sophomore year was spent in the old high school. To defend ourselves against the oppression of the "glorious" upperclassmen, we selected: Teddy Southwell, President; Ed Fopiano, Vice President; Harriet Remick, Secretary; Jan Thornton, Treasurer.

We will always remember:

- That we were the last sophomore class to be in the old high school.
- Miss Roger's green hair—"Is it true blonds have more fun—Ed?"
- The Sophomore Hop with D. J. Ed Fopiano—which actually made a profit!
- Studies in the cafeteria, under ideal conditions—the inspiring aroma of ketchup and mustard—mixed.
- Mr. Comeau's Biology—and we mean Biology Classes.
- The Class outing to Morton's—complete with cards and curlers!

History

We started our Junior year in the new high school, excited at its prospects—we were soon disillusioned. To guide us through this year, we elected: Ed Fopiano, President; Kenny Mouzer, Vice President; Harriet Remick, Secretary; Jan Thornton, Treasurer.

Will anyone forget:

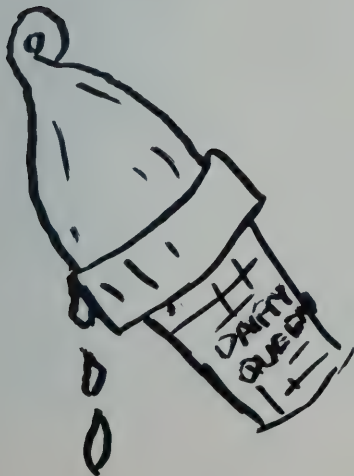

- Our disappointment because there was no auditorium.
- How the Junior girls were loved by their Senior Sisters—and their Senior Brothers.
- The outstanding athletes in football—Chuckin' Chuck Baglio and Paul Powerhouse Deehan.
- Our contributions to the Bay State Tourney Class B Champions—Joe DeGutis and Kenny Mouzer.
- John Dowling's letter from "your friend Gordie"—while recuperating from a slip (?) in the shower.
- Miss No-Rules Hazlett—remember her seminars on un-English activities?
- Bermuda Day and the revelation of the disappointing tastes and equally disappointing physiques of our boys—My what long pants will hide!
- The first Junior Prom in the new school and the decorations which will never be surpassed. Our ceiling which was at one time a floor.
18 hours of slave labor—to be undone in 18 minutes—when our dream world collapsed.
- The Class Outing to guess where—Morton's Park—and the co-ed water fights.

We finally wormed our way to exalted position of Seniors. To help us through our last and most difficult year, we elected: Ed Fopiano, President; Kenny Mouzer, Vice President; Cheryl Grant, Secretary; Jan Thornton, Treasurer.

We will remember:

- The Senior Class Play—which was the greatest display of Thespian talent in the history of A.H.S.
- Mr. Divoll's tremendous American Government classes complete with the Exclusive Conservative Club where we were exposed, first hand, to smear tactics.
- The football and field hockey teams, both Champs in any league.
- Sally's Sacred Senior Class Party—infiltrated with many unwanted underclassmen.
- The congregations at the Dairy Queen.
- Those dances—complete with the "wiggle-wobble."
- How we anxiously awaited the Senior Reception, Senior Week and Graduation.

Now, we realize how quickly it has passed. However, we will always have these memories to remind us of our high school years.

The Class of 1965

The class of 1965, aware that its departure will leave the halls of Abington High a vast wasteland, bereft of its sparkling personalities, bright humor, and uplifting spirit, desires to compensate in some small way for this incalculable loss. Therefore, being of sound mind and generous mood, we do hereby declare this to be our last will and testament, bequeathing our most precious possessions to those faculty members and underclassmen who must face the long empty years without us.

1. The Miners and Toughs, Coad, Wentworth, Clockadile, and Hill leave Deadwood Gulch undefended.
2. To Mrs. Barnett, the 7th Period Latin Class leaves a complete list of the 15 verbs taking the dative case.
3. After those great International Day lunches, the Senior Class leaves.
4. We leave Tom "small d" Divoll with the hope that he will find some talent in the Junior Class.
5. To Miss Barrett we leave enough material to lengthen all her skirts.
6. To poor Mr. Prusaitis, we leave Anna Marie for *three more years*.
7. Elaine Marcotte and Paul Blanchard leave Miss Baehr with some free time.
8. Ol' Judge McFarlan leaves Abington High considerably less o' more than more o' less.
9. Sheriff Homer leaves his wife Molly . . . Loveless.
10. We leave the Sophomore Girls with the hope that they learn to act their age, not their shoe size.
11. David Cormier leaves his social graces to Judy Schauffler.
12. To Mike Farina, we leave a pair of track shorts with suspenders to insure their permanence . . . it's better than nothing.
13. Jim Libby leaves all his teachers browned.
14. We bequeath the Under-Classmen some "pep-pills" because when our class leaves there won't be any spirit left.
15. Donald Hill leaves Susan Leahy disappointed.

Last Will and Testament

16. Joe DeGutis leaves to join the Animals.
17. Chuck Baglio bequeaths Jack O'Neil his shoes; in hopes that he can fill them.
18. The Senior Class leaves Martha Fogg's horse an electric horseblanket to keep him warm during those long, lonely hours in the shed.
19. We leave Miss Glinski still trying to imitate Sandy Bordon.
20. Beverly Trufant leaves a worn-out Censure Stamp to next year's Editor-in-Chief.
21. To Mr. O'Donnell we leave a piece of cheese.
22. We leave Mrs. Trask in the hopes she will never leave Abington High.
23. The Senior Class leaves the school assorted shrubs so that you can tell the school from the piggery.
24. To Moe we leave a case of Carling's to accompany him on his hike along the Heritage Trail.
25. We leave Miss Crooks and Mr. Paster the fond memories of Championship Teams.
26. We leave Miss Murphy a box of assorted Tootsie Roll Pops.
27. Connie Willson leaves Mark Chappell . . . alone at last.
28. Howard Farrell and Tommy Grady leave to run for Vice-President of the A.A.
29. Donna leaves her supply of Clairoxide to Gail Hanson.
30. We leave Mr. Reilly eating a jelly roll.
31. Current Best Seller "The Many Loves of Kenny Mouzer" is left to Richard Dessertine.
32. Finally, we the members of the Illustrious Class of 1965 do sadly leave.

A Day at A.H.S.

Underclassmen
go to lunch.

Secretaries are valuable
now-a-days.

How's it taste, Connie?

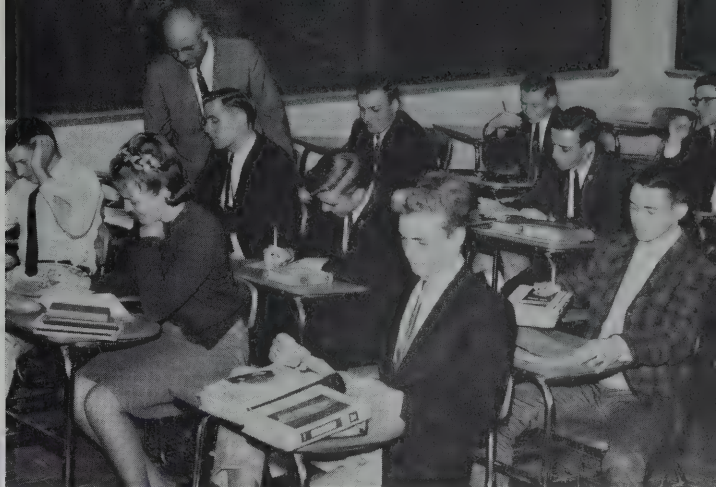

You would laugh too,
if you had to eat it!

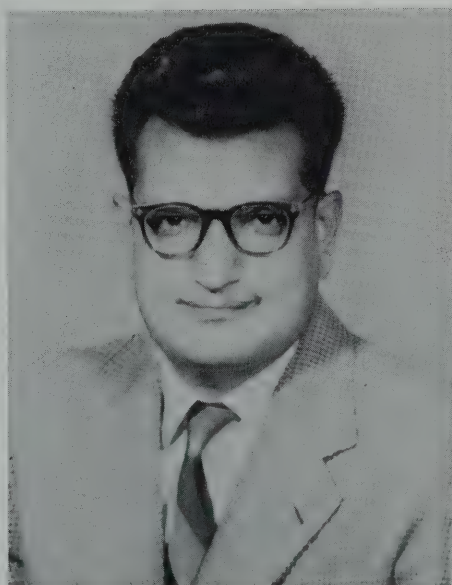

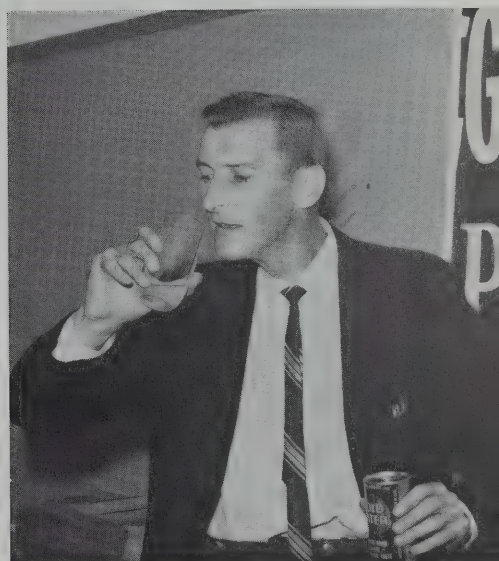

Eleven geese +
a swan.

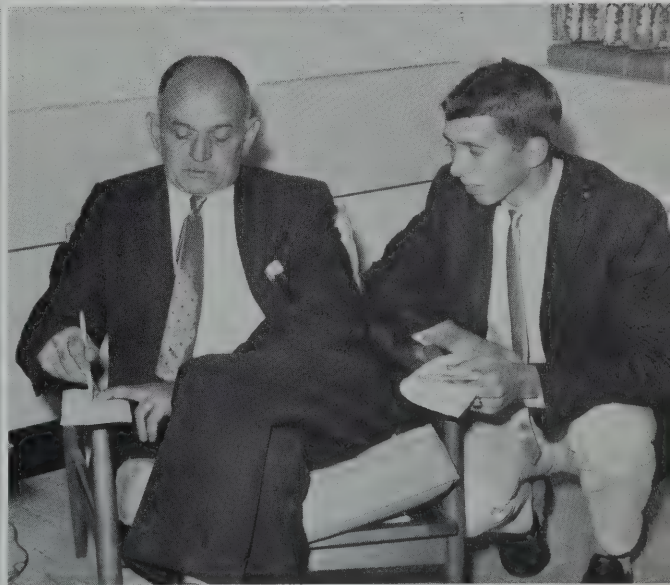

Smile Norman, you're on Candid Camera.

Are you in there, Barry?

Our distinguished visitor from India, Mr.
Mistry.

With an Isky $\frac{3}{4}$ race + trips . . .

Thank You Mr. Morey

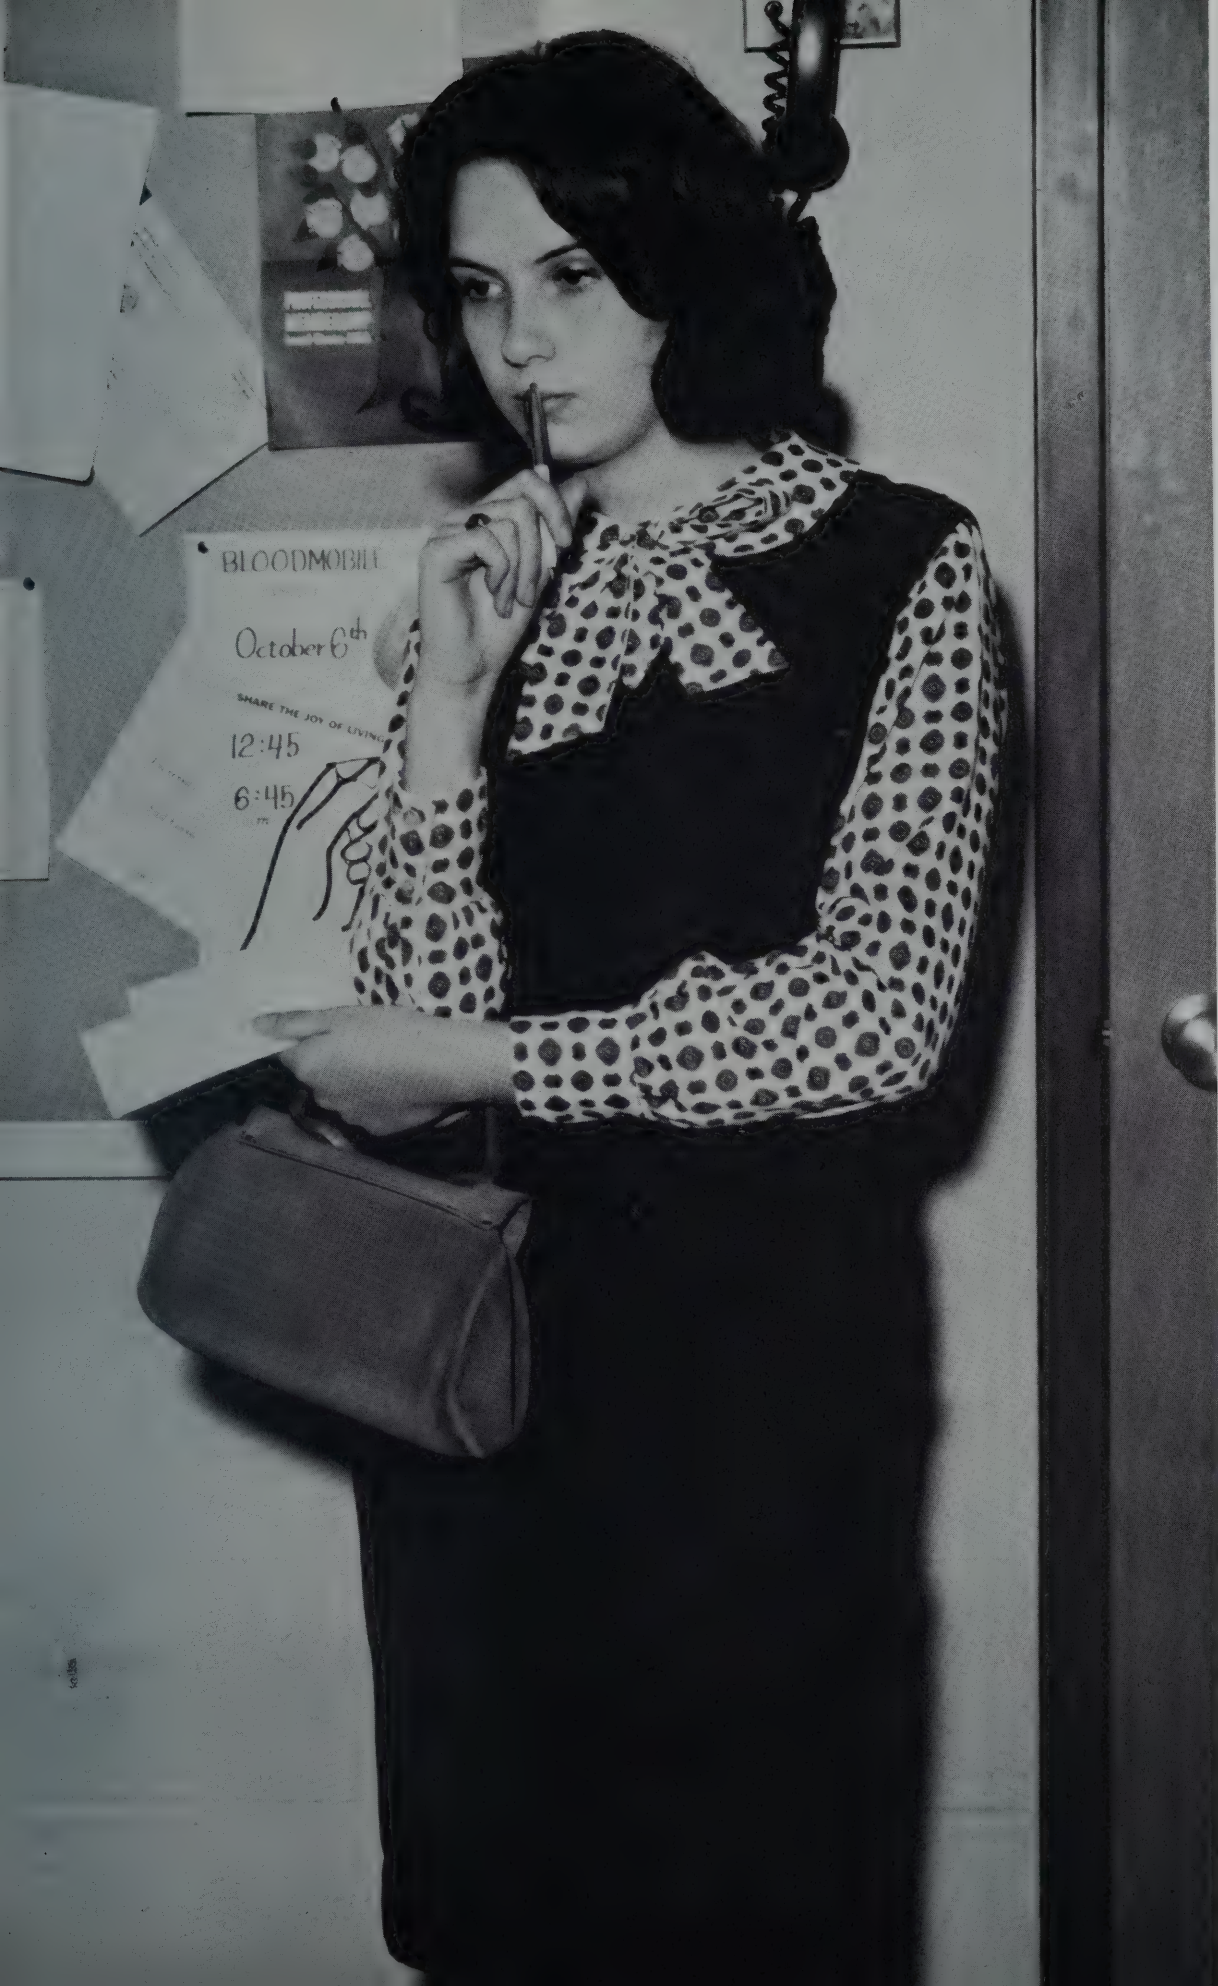

Richard F. Morey

Teacher

In your forty years at Abington High, you have shown us a priceless combination of humor and teaching ability. We are grateful to you for being the dedicated teacher that you are not only in the classroom, but also on the basketball court. Our only regret is that future classes will not have the privilege and pleasure of knowing you.
